## REFRIGERATION DEPARTMENT OVERVIEW

**We are a group comprised of two dedicated purchasing professionals**

**We bring over 40 plus years of experience in retail grocery refrigeration**

**We provide the knowledge, relationships & pricing programs which are key to this market**

**Competitive bids & full sourcing of equipment**

**Perform desktop analysis & energy audits**

**Leverage existing programs with reputable vendors**

**Identify opportunities to utilize refurbished refrigeration equipment**

**Provide full refrigeration design drawings**

**Work directly with manufacturers to drive costs & design**

**Contact *Jim Diamond, Senior Buyer*, for more information:**

# Self Contained Cases

## Benefits

Many sizes available

Many self contained cases are 120V- Plug and play

Earth friendly low GWP refrigerant

Self contained products may have better lead-time than remote cases

## Product Info

No floor drain required

Modern self contained cases are quieter than older versions

Quarterly PM on self contained refrigeration is very important

Self Contained
